**ad 3:** Edgar, Peter, Laura

**ad 4:** **Peter** will create a Facebook event for this.

**ad 5:** The KO-group have prepared some questions for the Main Board, when they visit us 3-4. Dec. At the Activist Meeting we decided on a few additional questions:

- 10. Dec. 2017 Amnesty Denmark will have a National Collection of money. Are we expected to participate in this and can we be creative about this/come up with our own collection activities?

- Next year we may invite members in the Aalborg area for a membership meeting / potluck dinner / debate / whatever. Because a lot of members of Amnesty in the Aalborg area probably don't know about the opportunities of being an activist in Aalborg. What does the Main Board think about this. And can we have the Secretariat contact and send out invitations to members?

**ad 6:** On Human Rights Day 10. Dec. 2016 we will have a People's Walk for a Decent Treatment of Refugees. The event takes place from C. W. Obels Plads at 4 p.m. and ends at Nordkraft.

The need activists for specific tasks during the day. Anyone interested in helping out can participate in the last planning meeting for the People's Walk at 1. Dec. at 7 p.m. at the Amnesty Aalborg office.

**Peter** will inform local Youth groups about the event.

**ad 7:** **Peter** will create a Facebook event for this.

Furthermore at the potluck Christmas dinner we want to write a postcard to an Amnesty group abroad as a way to get in contact with other Amnesty groups.

**ad 8: Edgar** plans an Amnesty movie screening with the documentary “Dealing and wheeling in small arms” at Café 1000Fryd. Most likely in December 2016 or January 2017.

**Edgar** will create a Facebook event for this.

**ad 9:**

- **Edgar** will organize a PR-workshop at 6. January at 5 p.m. and create a Facebook event for this. At the workshop we will create PR-materials for recruiting activists in Aalborg. The materials are also meant to be used for the facers, when they return to Aalborg.
